Curbing of drug addiction

486. SHRI SHIV PRATAP MISHRA; Will the Minister of WELFARE be pleased to state:

(a) the names of the states where drugs addiction is on a large scale;

(b) what are the reasons therefor; and

(c) what measures Government have taken to curb the evil and with what results?

THE MINISTER OF WELFARE (SHRI SIT ARAM KESRI): (a) and (b) No survey has been conducted to

ascertain the incidence of drug addiction in the country. However limited studies conducted in 31 cities and 2 border areas to find the major socioeconomic factors contributing to drug abuse have indicated that unemployment, poverty, family environment, stress and strains of life, peer group pressures and curiousity are the main reasons of drug addiction.

(c) The Government has taken following steps to deal with the problems of drug abuse:—

(i) Under the Scheme of Assistance of Voluntary Organisations for Prohibition and Drug Abuse Prevention sponsored by the Ministry of Welfare 112 counseling centres, 44 de-addiction centres and 10 after-care centres have been set up in States and Union Territories for providing counselling, de-addiction and after-care services to the drug addicts.

(ii) Financial assistance is also provided to voluntary organisations for undertaking awareness building programmes for prevention of drug abuse.

(iii) Print and electronic media are used for creating awareness against the evil of drug abuses.

(iv) The Narcotic Drugs and Psychotropic Substances Act, 1985 and the Prevention of Illicit Traffic in Narcotic Drugs and Psychotropic Substances Act, 1988 are in force in the country and are being implemented by the concerned agencies.
